passes a competitor, that vehicle shall be deemed to be associated with that competitor who shall be liable to disqualification from the event.

Please read this and ensure that your driver understands the restrictions of this regulation.

Support Vehicles on the circuit should take extreme care to avoid obstructing riders as there are sections of the circuit that are very narrow. No individual helpers are to park or operate within 300 yards of any circuit timekeeper.

When you finish make sure your helpers do not obscure the Timekeeper's view or impede other riders. Please note that NO Riders or Vehicles are to stop at the Timekeepers, but they must continue to a safe and convenient stopping point.

Please ensure you are conversant with C.T.T. Regulation 25. You are reminded all riders currently using an inhaler for medical reasons should register this fact with British Cycling to satisfy U.C.I., C.T.T. and B.C. anti-doping regulations

A result board will be at the event H.Q. which will show provisional distances. Do not bother the Timekeepers. Information regarding non finishers will be welcomed.

The E.S.C.A. wishes all competitors a safe and enjoyable ride.
