

**RTTC NATIONAL 24 HOUR CHAMPIONSHIP
and
VTTA NATIONAL CHAMPIONSHIP**

As you know, the East Sussex Cycling Association is promoting the National 24 Hour on the weekend of June 21st/22nd, 2014.

Many of you will remember the event, which was instigated by Mike Hayler, that we held in 2011; it was an exciting success and a great triumph for Mike and all his helpers. The entry was one of the largest in a 24 Hour for many years and culminated in a wonderful competition record of 541 miles by Andy Wilkinson with John Warnock in second place also recording a mileage over 500. Several local riders won RTTC medals and VTTA and club records were broken

This year the course will be completely in East Sussex, starting opposite Arlington reservoir and comprising three circuits linked by stretches of the A22. Obviously we will need many helpers, and volunteers have been coming forward since this event was mooted. We will need more though and hope that you and your club mates will be able to assist for a few hours whilst cheering on your own club riders throughout the event.

Among the volunteers Robin Johnson is committed to putting out the signs and Max Norrell will be on call for any riders who have mechanical trouble. Jackie MacNay has promised to bring her massage table for after the event treatment and Gary Booth will supervise the signing-on.

On the form below you will find a list of helpers that we'll need. If you are able to come out will you be kind enough to mark the times you will be available and the sort of job you are able to do, please.

The three circuits which will need marshalling are Little Horsted, North Chailey, Barcombe, Little Horsted (Saturday & Sunday): Halland, Kennel Corner, Golden Cross, Halland (Saturday & Sunday finishing circuit): Boship rab, Pevensy bypass to junction with B2095 to Ninfield, Boship rab (night circuit).
